

FOUNDATION

The Trustees of the Tampa General Hospital Foundation would like to thank its generous benefactors, friends and volunteers for their support. We are truly grateful for gifts that enable the Foundation to support the critical programs and services of Tampa General Hospital. It is through these partnerships that we can make a lasting impact on the health care of people in our community.

Chairman of the Board

Dear Friends,

The year 2005-2006 has been an exciting year for the Tampa General Hospital Foundation. On the heels of completing our first capital campaign last year, the Foundation Board of Trustees voted to undertake a second campaign to completely redesign and expand the hospital's Level III Neonatal Intensive Care Unit.

The profits from our three signature fundraisers, Night at the Circus, *Moments in Time* Gala, and the golf tournament, continued to exceed expectations and allowed the Foundation to provide over \$600,000 toward various hospital programs, projects and services. The Foundation was the beneficiary of two wonderful events sponsored by other organizations. Glitz & Sticks, the Tampa Bay Lightning's casino night fundraiser sponsored by Melitta USA, raised \$60,000 for the renovation of the Pediatric Intensive Care Unit. Lastly, Skanska USA sponsored the First Annual Fishing Tournament which netted \$40,000 for the Foundation's *Building on Excellence* Campaign.

The Foundation secured grants in excess of \$200,000. Among them, the USAA Foundation grant of \$67,000 allowed us to send over 2,200 new mothers and babies home with an infant car seat, and The Joy McCann Foundation pledged \$120,000 towards the Foundation's Nursing Scholarship Program.

During the year, the Foundation has funded a number of other projects and programs at the hospital. Some examples are equipment for the Pediatric Intensive Care Unit and the Rehabilitation Center, the Wheelchair Sports Program, Aeromed, educational programs and conferences for hospital employees, and our innovative Nursing Scholarship Program.

Without our donors, none of this would have been possible. The following pages demonstrate the growing support of Tampa General Hospital and the growth of the Foundation as a substantial source of funding. On behalf of the Foundation's Board of Trustees, I wish to thank all of our donors for sharing their good intentions and generosity with Tampa General Hospital – a true crown jewel of this community.

2006 Special Events

Signature Events - A Great Way To Get Involved

Our signature events are a wonderful way to raise funds for the hospital. The continuing community outreach and relationship building that result from these events are as important as the funds raised. Each event adds new friends and supporters and increases awareness of Tampa General's programs and services.

The TGH Foundation is proud to produce three signature events each year to benefit the programs and services of the hospital.

15th Annual "Night at the Circus"

Feld Entertainment's Ringling Brothers and Barnum & Bailey® Circus presented the 15th Annual Night at the Circus at the St. Pete Times Forum on January 5, 2006. The event raised over **\$185,000** in net proceeds for the Children's Medical Center at TGH. The Don and Erika Wallace Family Foundation once again served as our Big Top Sponsor, and the Tampa Bay Lightning was the Patrons' Party Sponsor.

Christi Barli, in her first year as circus chair, brought incredible enthusiasm to this family event and continued to help raise awareness of the Tampa General Hospital Foundation throughout the community. The Night at the Circus is one of the few fundraisers in town that is truly a family event, and it is not unusual to see three generations enjoying the clowns together.

A juggler was one of the many entertainers who performed for the children at the Patrons' Party.

TGH CEO Ron Hytoff and his wife Eleni enjoying the Patrons' Party with Big Top Sponsors Don (3rd from left) and Erika (far right) Wallace and their son Donnie, along with Tampa Bay Buccaneer Shelton Quarles (4th from left) and his children.

2006 Night at the Circus Chair Christi Barli and her husband Pete at the Circus Patrons' Party.

From left to right, Foundation Board Chair Mark Nouss, Executive Director Robin DeLaVergne and Mary Jane and Ron Campbell, representing the Tampa Bay Lightning, Patrons' Party Sponsors, thank the Circus Ringmaster for joining the party and visiting with the guests.

Kenneth Feld, Chairman and CEO of Feld Entertainment, owners of Ringling Brothers and Barnum & Bailey® Circus, visits with former Tampa Mayor Dick Greco prior to the performance.

Executive Director Robin DeLaVergne welcomes Buck and Eleanor McInnis, and their daughter and son-in-law Beth and Scott Wiggins to the Gala.

Left to right, 2006-2007 Foundation Chairman Bryan Guyton, Jim Landis and Mike Annis cheer on Pat Sullivan as she plays against the dealer.

USF Trustee Dick Beard and USF President Dr. Judy Genshaft and her husband Steve Greenbaum prepare to head to the buffet table at the Gala.

Patsy and Gene McNichols enjoying the pre-Gala Patrons' Party at the University Club.

Signature Events

The 2006 "Moments in Time" Gala

The 9th Annual "Moments in Time" Gala was a huge success. Guests celebrated "How the West was Fun" at the Gold Rush Saloon. Held on May 12, 2006, the Patrons' Party took place at the University Club of Tampa with the Gala following at the Hyatt Regency Downtown. Citigroup and Raymond James served as our Title Sponsors.

The event surpassed the TGH Foundation's goal by netting over \$240,000 for Tampa General Hospital's *Fund for the Future*. This special fund helps the hospital deliver exceptional care everyday. From purchasing the most advanced medical equipment to providing continuing education for nursing, financial support of the Gala helped enhance the outstanding level of care our community has come to expect from Tampa General.

Our returning chair and Foundation Board member, McIver Berner, again pulled out all the stops for this party and exercised her creativity and fun energy on this event. She energized volunteers and organized a complex event that entertained guests throughout the evening. She displayed her true love for Tampa General and this unique party.

– Dr. Brad Johnson and his wife Dr. Dana Coberly got all dressed up for the Gold Rush Saloon at the Gala.

Signature Events

The 8th Annual Golf Tournament

In its 8th year, this exclusive event surpassed the TGH Foundation's goal and raised over \$180,000 in net proceeds for Tampa General's *Fund for the Future*. Held on October 30, 2006 at Old Memorial Golf Club, 82 golfers enjoyed beautiful weather and excellent course conditions.

Our Presenting Sponsor this year was the Baldwin Connelly Group and the Title Sponsor was The Yerrid Foundation.

A portion of the proceeds from this year's tournament will benefit Tampa General's *Fund for the Future*. Additionally, a contribution was made to MORE HEALTH, Inc., Tampa General's innovative health education and injury prevention program, providing a variety of health lessons to more than 175,000 students in Hillsborough County public and private schools.

The returning event co-chairs, Joe Taggart and Al Silva, provided exceptional support to the planning committee. Their professional contributions were key to the tournament's success. Auctioneer extraordinaire, Gary Koch, increased the profits from the tournament by encouraging the golfers to bid on an exciting array of items.

Other Annual Events

2006 Annual Dinner

The Tampa General Hospital Foundation's 32nd Annual Dinner was held on October 12, 2006 at Palma Ceia Golf & Country Club and was sponsored for a second year by CapTrust Financial Advisors. The Annual Dinner provides an opportunity for Foundation leaders and donors to learn about the accomplishments of the past year. Our guest speaker was Air Vice-Marshal Mike Heath with the British Royal Air Force who shared both his experiences in the Middle East and his testimony as a patient at Tampa General.

This year the James M. "Red" McEwen Award was presented to Larry C. Carey, M.D. This award, named after a TGH Foundation founder, honors recipients whose efforts, good works, and service have contributed most significantly to the betterment of Tampa General Hospital. "He has served as a trusted advisor for the Foundation's Executive Directors'. His perspective as a member of the medical staff has been invaluable," said 2006-2007 Foundation Chairman Bryan Guyton.

The Madeleine P. Gibbons Humanitarian Award is presented to a hospital volunteer who embodies the spirit, enthusiasm, and commitment of Mrs. Gibbons, a charter member of the Auxiliary in 1952. This year's award was presented by Mrs. Gibbons' son, Rev. Robert C. Gibbons and Auxiliary President Cathy Phillips to José Martínez, a very enthusiastic TGH supporter. José has contributed 3,000 hours of volunteer service to Tampa General. He serves two days a week in dispatch and often fills in for absentees.

Glitz and Sticks

Thanks to the Tampa Bay Lightning, over 650 guests and members of the Lightning organization came together in late September to kick off the season and take part in Glitz and Sticks. In its fifth year, the casino night presented by Melitta USA included a silent auction and gourmet dinner for those in attendance. As players manned card tables and roulette wheels, the Lightning Foundation auctioned unique items to help raise money for the renovation and enhancement of TGH's Children's Medical Center Pediatric Intensive Care Unit. The unit's co-medical directors, Dr. Rick Weibley and Dr. Dan Riggs, were honored during the evening.

Foundation Signature Programs

White Coat Mini-Internship Program

TGH's White Coat Mini-Internship Program allows community and business leaders to experience a major teaching hospital from an insider's point of view. Each intern is paired with a Tampa General physician for an entire day. Nothing is prearranged or "sugar coated." The intern accompanies the physician everywhere – on rounds, in patient consultations, and even in the operating room. Our goal is to give the interns a real day-in-the-life of a physician – the intensity, the drama and the complexity. It is an opportunity to demonstrate the expertise of our physicians and staff, but also their humanity.

The White Coat Program was held three times in 2006 with 43 interns completing the program. Two hundred forty-five interns have completed the program since its inception at the hospital in the spring of 2000. The value of this program can be demonstrated by this quote from a participant. "It was a unique and amazing experience. I wish more people in our society could experience something like this, to see the teamwork and the compassion of these professionals."

Nursing Scholarship Program

The Tampa General Hospital Foundation has a long history of recognizing the critical role of nurses at TGH by supporting nursing education through the commitment of funds for nurses working at the hospital so they may continue their education. In 2003, the Foundation started its innovative Nursing Scholarship Program.

The scholarship program is designed to give TGH employees an opportunity to attend nursing school fulltime while working part-time. The Foundation recognized as they developed this new program, a critical component of success would be to support the students in the pursuit of their nursing degrees to give them the greatest opportunity to achieve their goal. So, each nursing student is assigned an RN in a leadership role at the hospital to serve as their mentor, both on the job and with their schoolwork.

The first students were selected in 2003 and each year the recipients are honored at the Foundation's Annual Dinner. The first graduates received their degrees in 2005 and were recognized at a Board of Trustees meeting with flowers and a round of applause. To date, 15 TGH employees have been recipients of the Tampa General Hospital Foundation Nursing Scholarship Program.
