HEALTH BENEFITS

Full and part-time team members scheduled to work at least 16 hours per week are eligible for health and welfare benefits starting on the first of the month following thirty (30) days of employment. USFTGP remains committed to providing affordable, quality health insurance designed to help you avoid paying large health care expense out-of-pocket.

MEDICAL INSURANCE

We know healthcare – it's who we are and what we do! We have customized plans with Blue Cross and Blue Shield of Florida to meet the needs of our team. We are proud to offer two medical plan options. Both options have increased benefits when you use our own world-class providers and locations throughout the area. Both plan options cover preventive care at 100% with no deductibles, copayments or coinsurance.

Our plans provide choice, low out of pocket costs, and flexibility. USFTGP pays more than 80% of the total cost for full-time team members.

The EPO Plan – With Tier 1, there is no deductible and the plan is entirely based on copayments, with a maximum out of pocket expense of \$1,500 for a single team member. The medical plan is designed as open access, so there is no need to spend time obtaining referrals for your important appointments.

The High Deductible Health Plan (HDHP) with a Health Savings Account (HSA) – Once the deductible has been satisfied, most services are covered at 100% without copayments or coinsurance for Tier 1 providers.

The HSA option allows you the opportunity to invest in a Health Savings Account (HSA). A HSA is a special bank account designed to help you save money tax-free for use on qualified medical expenses for you and your family. You own the account and the funds roll over every year.

We offer an Out of Area EPO or an HSA plan for anybody residing outside of Citrus, Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk, and Sarasota counties.

USFTGP is tobacco-free and encourages our team members to have healthy habits. With this in mind, our medical insurance bi-weekly premiums are lower for team members who are tobacco-free.

DENTAL INSURANCE

USFTGP offers two dental plans through Delta Dental for you and your family- covering needs ranging from preventative care including cleanings, x-rays, and exams, to major care needs like crowns and root canals.

PPO (Low) – This option offers pre-set copayments in-network and includes orthodontia coverage. It also gives you the freedom to choose an out-of-network dentist and still receive benefits and does not require you to assign yourself to a network provider.

PPO (High) – This option has an extensive network of dentists and gives you the choice of going in-network or out-of-network each time you need dental care. The PPO High option includes orthodontic coverage.

VISION INSURANCE

Regular visits with your eye doctor will help keep both your eyes and body healthy. InterHealth offers vision coverage through EyeMed. EyeMed vision coverage provides America's largest vision network with the right mix of independent eye doctors and national and regional retail providers—so members can go where they want when they want.

OUTPATIENT PHARMACY

Team members may fill their prescriptions at the TGH Outpatient Pharmacy on the main campus, the retail pharmacy located at the TGH Outpatient Center, or the USF Health Pharmacy Plus with significant discounts based on medical tiers. Over-the-counter products such as pain relievers, heating pads, allergy medication, and cough drops are also available at reduced rates.

LIFE & DISABILITY INSURANCES

LIFE INSURANCE & AD&D COVERAGE

USFTGP provides you with Basic Life Insurance and Accidental Death and Dismemberment (AD&D) coverage in the amount of two (2) times your annual base pay, not to exceed \$300,000 for full-time team members. Part-time team members are covered for \$10,000.

DEPENDENT LIFE INSURANCE

Team members have the option to purchase four levels of dependent coverage for a spouse and/or children.

SUPPLEMENTAL INSURANCES

Because life happens, USFTGP offers a number of voluntary products at discounted rates including accidental death and dismemberment, universal life, term life, critical illness, accident insurance, hospital indemnity coverage, identity theft protection, legal assistance planning, and pet insurance. Our on-site benefits team will be happy to provide additional information on any of these product options.

SHORT-TERM DISABILITY INSURANCE

USFTGP will pay for up to 60% of your weekly base pay up to \$750 per week. In addition, team members may purchase coverage of up to 66 2/3% of their pay, up to a maximum of \$1,500 each week for up to 24 weeks. Short-term disability coverage starts on day 1 of an accident or injury and on the 15th day of a qualifying illness.

LONG-TERM DISABILITY INSURANCE

USFTGP provides you a monthly LTD benefit of 50% of your base pay up to \$10,000 per month at no cost to you. You also have the option to purchase additional buy-up coverage. Buy-up coverage would increase the monthly benefit to 60% of your base pay up to a monthly maximum of \$10,000. LTD coverage will begin to pay after you have been disabled for 180 days. Benefits are paid until retirement age, typically 65 years of age.

RETIREMENT PLANNING
