**ELEVATING
EXCELLENCE**
INNOVATING TOMORROW'S TGH

What is Home Base and how will the Golf Tournament support it?

Tampa General Hospital & Home Base Partnership

Tampa General Hospital (TGH) and Home Base, a Red Sox Foundation and Massachusetts General Hospital program, have developed a partnership dedicated to healing the invisible wounds for our local veterans of all eras and their families through world-class clinical care, wellness, education and research. TGH is one of only two hospitals in the state of Florida to offer this program to our military communities. This partnership will lean on Home Base's expertise in veteran and family care, while leveraging TGH's existing wellness and clinical platform to provide life-changing services for veterans and their families.

Impact

Veterans who have completed Home Base's Warrior Health & Fitness programs across the United States have seen significant improvements in key medical indicators of fitness, such as:

- **69%** increase in cardiovascular endurance
- **74%** increase in overall strength
- **34%** decrease in body fat percentage

The Tampa General Hospital & Home Base Warrior Health & Fitness Program is the beneficiary for the 2025 TGH Foundation Golf Tournament.

Did you know?

Over 32,000 veterans and their families have been treated at TGH since 2016

Home to MacDill Air Force Base and U.S. Special Operations Command, the Tampa Bay region has the 27th largest population of veterans in the country, totaling 98,000

25% of Florida's veteran population lives in the Tampa Bay region
